

## TRANSFER BIORX BILLING DATA TO QUICKBOOKS

### About Billing Data

Are you manually entering BioRx customer invoice data into Quickbooks? We have recently made improvements to our BioRx Financials add-on module to allow transfers of the entire invoice summary page into Quickbooks! Gone are the days at the end of the billing cycle of manually entering customer billing information into Quickbooks.

### Key Features

- Quickly transfer BioRx invoice information to Quickbooks
- Save time by avoiding double entry
- Prevent data entry errors in Quickbooks
- Multiple BioRx databases importing into one Quickbooks database
- Transfer the following information:
  - » Orders
  - » Credits/Debits
  - » Convenience Charges
  - » Prep Fees
  - » Sales Tax

### Requirements

- BioRx Version 2.03 or higher
- QuickBooks Desktop 2015 or higher
- Linux CentOS 7 Database Server
